Services Offered

- *Ascription – ensuring families feel confident about declaring their children to be part of the GRT communities, and helping us to monitor and support their educational progress*
- *Attendance – encouraging and helping GRT children to attend school regularly*
- *Achievement – supporting schools in their work to raise standards achieved by GRT pupils at all key stages*
- *To provide advice, support and resources for staff in schools and settings.*
- *Relationships with parents and the community – working positively with all partners to improve relationships with GRT parents and the wider GRT communities*

Curriculum Development – supporting schools in their work to ensure that the curriculum is culturally reflective and inclusive

- *Race Equality and Diversity – working with all partners to promote race equality and positive views of diversity*
- *Provide learning packs for Traveller children not attending school (EHE) in order to support their on-going education.*
- *A variety of bespoke training opportunities are available to schools/nurseries/other agencies, e.g. awareness raising sessions for cluster groups, office staff, teaching staff groups etc*
- *Work in partnership with many other services and agencies that support or seek to support GRT communities.*
