## Services offered:

- Meeting requests from schools for the delivery of a language support programme for pupils whose first language is not English to help them access an age appropriate curriculum.
- To make initial and regularly assessments of achievement and progress in using EAL.
- To provide advice, support and resources for staff in schools and settings.
- To offer a range of training packages for staff working in the early years, primary and secondary education.
- To work with other relevant services that support or are involved with children and families whose first language is not English.
- To promote race equality and positive views on diversity; supporting educational settings in ensuring that the curriculum is inclusive and culturally diverse.
